WILL A DEAR TO YOUR HEART WOMAN BE CRUELLY SENT HOME TO DIE & BECOME THE NEXT VICTIM OF THE FAILURE TO DIAGNOSE HER HEART PAIN, DUE TO THE LACK OF ADEQUATE DIAGNOSTIC/TREATMENT TOOLS IN THE LOCAL HOSPITAL'S EMERGENCY ROOM, RESULTING FROM THE LACK OF GENDER-SPECIFIC RESEARCH & TESTING?

MEDIA ALERT! WITNESS THE BIRTH OF SAN FRANCISCO GRASSROOTS ADVOCACY FOR WOMEN'S HEARTS:

JOIN US TO BREAK THE SILENCE & TO DEMAND FOR POLICY CHANGES IN OUR HOSPITALS, ASSURING COMPASSIONATE CARE TOWARDS WOMEN WITH HEART PAIN, DUE TO CURRENT LACK OF DIAGNOSTIC TOOLS! OUR COLLECTIVE "NO" TO CRUELTY TOWARDS WOMEN WITH HEART PAIN MUST BE HEARD - TO SAVE LIVES !

WITNESS THE BIRTH OF THE PROLIFIC GRASSROOTS MOVEMENT TO HELP SAVE WOMEN'S LIVES AT ITS INCEPTION:

EYEWITNESS THE CRITICAL MOMENT, WHEN WE COME TO RECLAIM THE SYMBOL OF THE NEW WOMEN'S EQUALITY MOVEMENT – THE EVENING GOWN, THE WEARABLE ART PIECE, CREATED TO PROCLAIM THE AWARENESS FOR THE ADVOCACY AGAINST WOMEN'S HEARTS' FATALITIES, ILLEGALLY WITHHELD BY THE LAW ENFORCEMENT DURING THE FALSE IMPRISONMENT OF MS. ROZALINA GUTMAN, THE VICTIM OF MISDIAGNOSED HEART DISEASE, THROWN TO JAIL, INSTEAD OF BEING REFERRED TO A CARDIOLOGIST BY THE CRUEL SF GENERAL HOSPITAL'S PERSONNEL.

Sadly, today many women may be sent home to die with their undiagnosed & dismissed heart pain complaints, due to the inadequate diagnostic tools in many hospitals' ER's, resulting from the LACK OF GENDER-SPECIFIC RESEARCH ON WOMEN'S HEARTS – THE GENDER INEQUALITY issue that continues to claim many women's lives during our times. But on January 16, 2015 internationally recognized music educator & the victim of earlier heart attack Ms. Gutman was not only cruelly discharged with misdiagnosed heart pain (yet again), due to false-negative heart tests. This time, she was thrown to ...SF Jail, when cruel & mindless SF General Hospital's staff had called ...security, since she was unable to get off her hospital bed ...fast enough. The stress of this major emotional trauma was hard enough to tolerate... Yet in addition, when she was finally released from Jail, Peace(!) Officers & med. staff RUDELy REFUSED TO RETURN HER DRESS, symbolic of Women's Hearts advocacy. Only after she called SF Sheriff-in-Chief Mirkarimi staff for investigation, the dress was "found" weeks later.

(Notably, sheriffs & med. staff felt "excused" for their uncommon lack of empathy & prejudice, due to false Arrest Warrant, due to earlier bogus Arrest, instigated in retaliation by the corrupt Berkeley City administration staff & resulting from misleading Alameda Co. Court actions. Officer Bjeldanes, responsible for these false (& absurd) criminal charges of ...water-spraying (with no investigation, instead of protecting her from the vandalism of her house) is to be "retired" finally. But, the Court charges continue to cause much stress, & are YET to be dropped by the "public servants", deliberately taking advantage of her disability by posing constant LIFE-THREATS, issued in cruel retaliation to her whistle-blower calls for public records re. misappropriation of large public funds & many legal violations. We call again upon the good will & conscience of Berkeley Mayor Bates to show his leadership & VOLUNTARILY bring it up to the high ethical standards, enacting IMMEDIATELY & WITH NO MORE DELAY his personal private apology to Ms. Gutman. Stop malicious prosecution: DROP NOW! false, disproportionate, causing LIFE-THREATENING STRESS Court charges, following similar good will example of SF Law Enforcement.)
